Publication: Divestment and Sustainable Development (DOI: https://doi.org/10.1007/978-3-319-63951-2_275-1)

EXPERIENCE

Elphi Inc, Remote

May 2021 – August 2021

Software Engineering Intern

- Built a user management system for loan administrators in React as Front-End Developer.
- Implemented editing capabilities in the management system and improved UI visuals.
- Directed an ADA compliance project developing hot-keys for users.
- Performed code reviews with the development team and implemented software coding best practices.
- Organized and led a weekly intern professional networking meeting.

MFS Investment Management, Boston, MA

July 2019 – December 2019

Institutional Sales Co-op

- Analyzed client data and recommended potential leads to team members.
- Pursued self-directed learning in Bloomberg and Microsoft Excel Macro.
- Provided logistical data to department leads with short turnaround.

PROJECTS

Stanford TreeHacks Hackathon, Palo Alto, CA

February 12-14, 2021

TreeToCar

- Led 4-person team in the design and implementation of CO₂ car emissions calculator website.
- Performed GitHub code reviews in JavaScript and HTML.

Investment Portfolio

2018 – Present

- Initiated rebalancing of personal stock portfolio in Excel due to UI inefficiencies in online brokers.
- Advanced project scope with further programming using Python, object-oriented Python and Java.
- Currently expanding in React.

Chess Game, Northeastern University

Spring 2021

- Programmed a chess game with 3 classmates in Java.
- Built “canKill” function and programmed project test cases. Performed code reviews using GitHub.

LEADERSHIP

Husky Leadership Academy, Boston, MA

September 2017 – April 2018

- Selected for a distinctive program designed to improve student-athlete leadership.
- Translated athletic experiences into important career-related skills.
- Developed awareness of personal strengths and weaknesses and how to self-improve.

SKILLS AND ACHIEVEMENTS

Programming Languages: Python, Java, C, React, HTML, CSS, JavaScript

Computer: Macro Excel, S&P MMD, Salesforce.

Athletic Achievements: Men’s 2016 CAA Rookie of the Year, 2017 CAA Athlete of the Week.
